Same rules of eligibility apply for artistic events that apply to free skating events. Juvenile and Open Juvenile levels may be combined. Programs are intended to enhance the skater's artistry and interpretation of the music rather than focusing on technical difficulty. Skating attire must fit the program and be appropriate for a family event. Hand held props (no glass) are allowed and can be set down on the ice. Vocal music is permitted. Somersault jumps where the skater actually leaves the ice and flips in the air are **not** permitted. Acrobatic moves such as somersaults on the ice, cartwheels, and other similar moves **are** permitted.

Light or Dramatic – Light programs are to be of a “feel good” nature where as Dramatic are to be more serious or melancholy in nature. Moves are to be selected for their value in enhancing the skater's artistry and interpretation of the music rather than technical difficulty. There are no requirements for jumps and spins, except that the difficulty may not exceed the equivalent free skating level. Credit for jumps or spins will be based solely on the choreographic effectiveness.

<u>LEVELS</u>	<u>TIME (No minimum)</u>
Snowplow Sam thru Basic 8	1:10 Maximum
Freestyle 1 thru 6	1:40 Maximum
Pre-Preliminary – Preliminary	1:40 Maximum
Pre-Juvenile-Intermediate	2:10 Maximum

Interpretive – Skaters are to create a program without assistance. Coaches and parents will not be allowed in the skaters' area once a skater has checked in. The organizing committee will supply a different piece of music for each interpretive event and will be approximately 1 min. 30 sec. in length. During the warm-up, the skaters will hear the selected music two times. Following the warm up, all skaters except the first to skate will be escorted to an area where they will not be able to view or hear the performance of the skaters preceding them. The music will be played a third time for the first skater before he/she takes the ice. As the first skater is announced the next skater will be brought to a place where he/she can hear the music for a third time but will not be able to view the performance of the preceding skater. This procedure will continue until all skaters in the group have skated. Programs will be judged on artistic impression, choreography and pattern, creativity, musical interpretation, posture and carriage.
